

The Social Hub.

The social hub is our lunch time entertainment room. It is organised by a group of fifth year students and is open to all of the students in our school. These fifth year students volunteer their lunch times to set up and supervise this room. Some of the entertainment on offer is as follows: Resident DJ, X- box, chess, full size air hockey table, 5 ft pool table, karaoke machine, tabletop football, tabletop air hockey, games console, rubix race, pictionary, monopoly, jenga, variety of magazines, jig saws, lego, ping pong and many more board games. This entertainment zone aims to enhance the social, cognitive, emotional and physical development of our students. Everybody is welcome in the Social Hub.
