

Guidance Office.

The Guidance Office provides a wide variety of college prospectus', internet access to relevant sites such as 'Qualifax' & 'Careers Portal'. It provides valuable information on Post Leaving Certificate colleges and courses. Information on apprenticeships are also available when required. A variety of Study Skills and Personal Development resources are made accessible to students. The Guidance Office provides a safe and secure setting for students to chat about their future careers and receive support with both educational and personal matters.
