

Physical Education and Sports Related Facilities

The school offers an extensive range of facilities including a fully equipped sports hall, two weights rooms, an Astro turf pitch and the use of the local GAA pitch, when required. The school also avails of the local bocce courts, squash and handball courts and the outdoor gym near the School of Music. These facilities afford students a high quality experience of sport and physical activity and will continue to be upgraded and expanded in the coming years to meet the emergent needs of the school population.
