‘Self Esteem....two dimensions’

1. Feeling of being lovable
 2. Feeling of being capable
- Denial can lead to two reactions:

St. Louis Community School, Kiltimagh

1. Apathy & Avoidance
2. Compensation

“..with no effort, no failure,
with no failure, no
humiliation” **Tony Humphrey**

St. Louis Community School, Kiltimagh

St. Louis Community School, Kiltimagh

‘New (Psychology)- After’

- Internal Control

*“ The only persons behaviour I
can control is my own ”*

St. Louis Community School, Kiltimagh

- You are responsible for your own choices- they are responsible for theirs
- I accept the consequences for my choices, good & bad- so do they

St. Louis Community School, Kiltimagh

‘Choices’

*“We almost always have choices-
the more aware we are that we
have choices the more control we
have in our lives”*

William Glasser

‘Ten Steps to Success’

- **Attendance:** be in school every day, ready for work
- **Punctuality:** be on time for school and each class
- **Homework:** encourage to take time and effort to complete all HW & revision

St. Louis Community School, Kiltimagh

- **Determination:** make the right choice--choose to reach your true potential
- **Self-evaluation:** take time to reflect on your experiences and choices-

St. Louis Community School, Kiltimagh

- **Respect:** for themselves, their teachers, their fellow students and their environment
- **Good manners:** politeness costs nothing and makes them nicer to know
- **Co-operation:** work with their teachers and fellow students

St. Louis Community School, Kiltimagh

- **Participation:** get involved in all the activities which are available to them
- **Willingness to learn and improve:** this is key to ‘SUCCESS’

St. Louis Community School, Kiltimagh

‘Motivation’

“To instil self belief into someone
is to change their life”

Brian Gilsenan
