

Big Brother Big Sister Programme.

All of our first year students get the opportunity to take part in our Big Brother Big Sister mentoring programme. Every first year student is paired up with a fifth year student known as their Big Brother or Big Sister. Throughout the year a variety of activities are planned to help our first years bond with each other and with their Big Brother or Big Sister. Our Big Brothers and Big Sisters are a great support to our first years, particularly in helping them settle into their new school. Very special friendships are formed during this mentoring programme.
