

Christmas Carol Service.

Every Christmas the staff and students of St. Louis put their best feet forward and present the annual Christmas Carol Service. This is an evening of musical entertainment, carols, instrumentals, readings and reflections. Every student in our school, regardless if they are studying music as a Junior or Leaving certificate subject or not, is given the opportunity to take part in our carol service. This evening is one of the many occasions when the community of St. Louis come together to celebrate our many talents. Lifetime memories are made on special occasions like this.
