

The Principal's Report for the 2022-2023 School Year

June 2023

I am pleased to present the annual report for the academic year 2022-23, I hope it will give you a sense of the huge breadth of activities that took place in St. Louis Community School during this past year.

It takes a team to manage and lead our school, and it is thanks to the hard work and dedication of our staff and students, that this past school year has been so successful. Therefore, I rightly dedicate many pages of this report to the magnificent staff and students of St. Louis Community School.

I would like to thank our Board of Management members for their service and dedication to our school. Their wise counsel, guidance, energy and enthusiasm has been invaluable throughout the year, and they really are a tremendous asset to St. Louis Community School.

Ms. Regina Anderson
Principal

Board of Management and the Senior Management Team

Teaching and Learning

Teaching and Learning in Junior Cycle

Students study each of the following **core** subjects;

- Irish*
- English
- Maths
- History
- Religion

*Students with Irish exemptions get additional literacy or numeracy support.

Students study each of the following **Wellbeing** subjects;

- SPHE (including Relationships and Sexuality Education)
- CSPE
- PE
- BBBS
- Digital Literacy

- Students continue to study all of the above subjects in 2nd and 3rd year, with a few exceptions.
- BBBS is not part of the 2nd or 3rd year curriculum.
- A rotation is introduced in 2nd year, students study each of the following subjects for eight weeks, Mindfulness, RSE, Music and PE,
- In 3rd year, all students get two classes of PE

Students select any **5** of the following optional subjects:

French	Graphics
Spanish	Visual Art
Science	Wood Technology
Home Economics	Business
Geography	Applied Technology
Music	Engineering

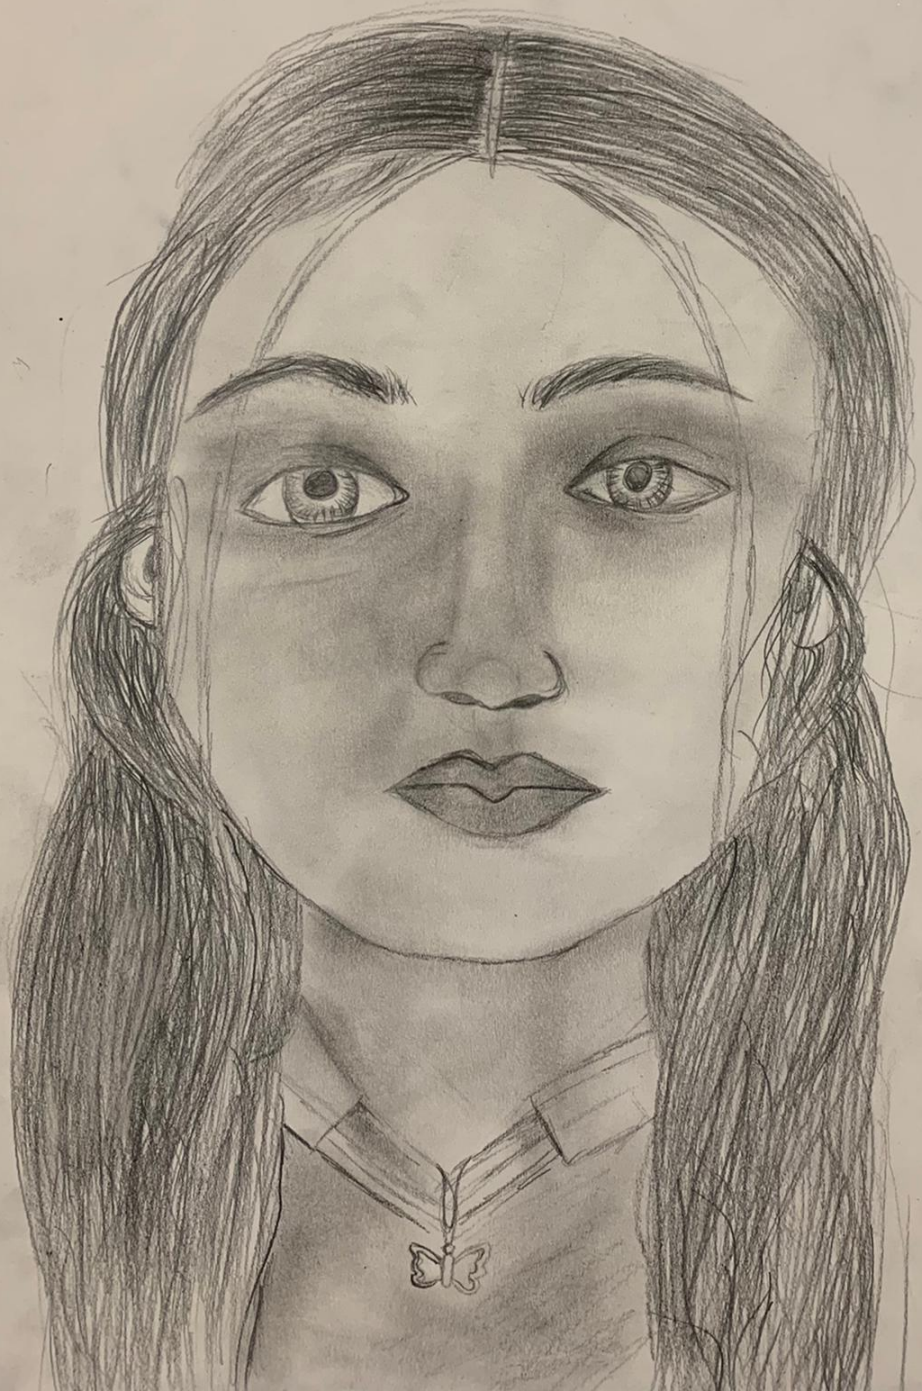

Wood Technology

Teaching and Learning in TY

All students study the following core subjects

Subject	Time allocation
Irish	3 hrs per week
English	3 hrs per week
Maths	3 hrs per week
RE	2 hrs per week
Business	2 hrs per week
Geography	1 hr per week
OneNote training	1 hr per week
IT (word, excel etc)	1 hr per week
PE	1hr per week
Music	1 hr per week
7 rotations	10 hrs per week

TY Eight Week Rotations

- Development Education
- NUIG Leadership studies
- Performance analysis
- Career Guidance
- RSE
- Mindfulness
- Safety
- Accounting
- DCG
- Home Economics
- LIFT
- History
- Art
- Wood Technology & Applied Technology
- Engineering
- Creative writing
- French / Spanish
- Physics, Biology, Chemistry, Ag Science
- Food Safety

TY Tour to Madrid

TY Graduation 2023

Teaching and Learning in Senior Cycle

Students study each of the following core exam subjects at either higher, ordinary or foundation level;

- Irish – 3 hrs per week
- English – 3 hrs per week
- Maths – 4 hrs per week

Students also study each of the following non exam subjects every week.

- Religion – 2 hrs per week
- PE - 1 hr per week
- Career Guidance – 1 hr per week.

Students with Irish exemptions get additional literacy or numeracy support.

Students select any four of the following optional subjects listed on the next slide, they may study them at higher or ordinary level.

Students also have the option of studying one of the following subjects; Applied Maths, Exam Religion, Communicative French, Communicative Spanish or Link Modules.

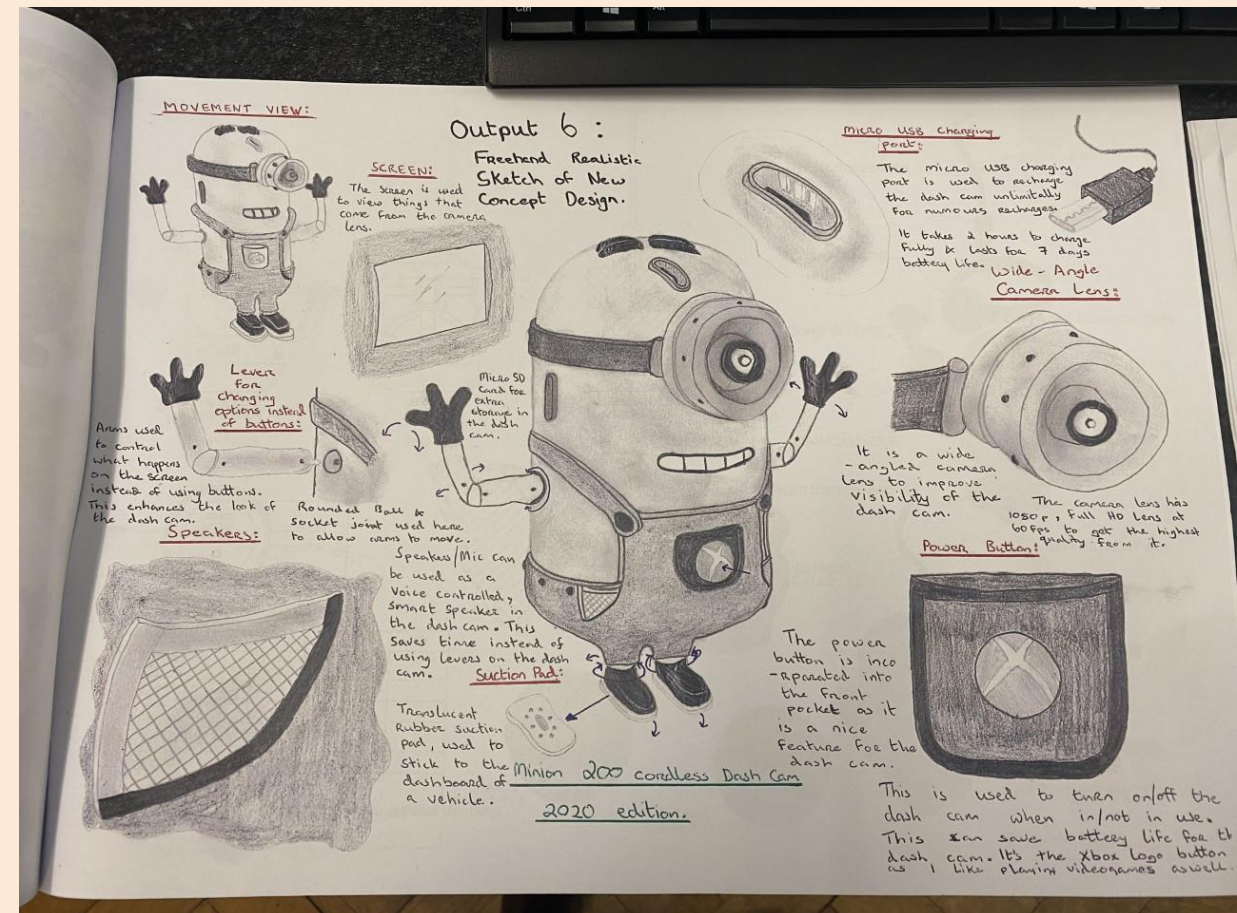

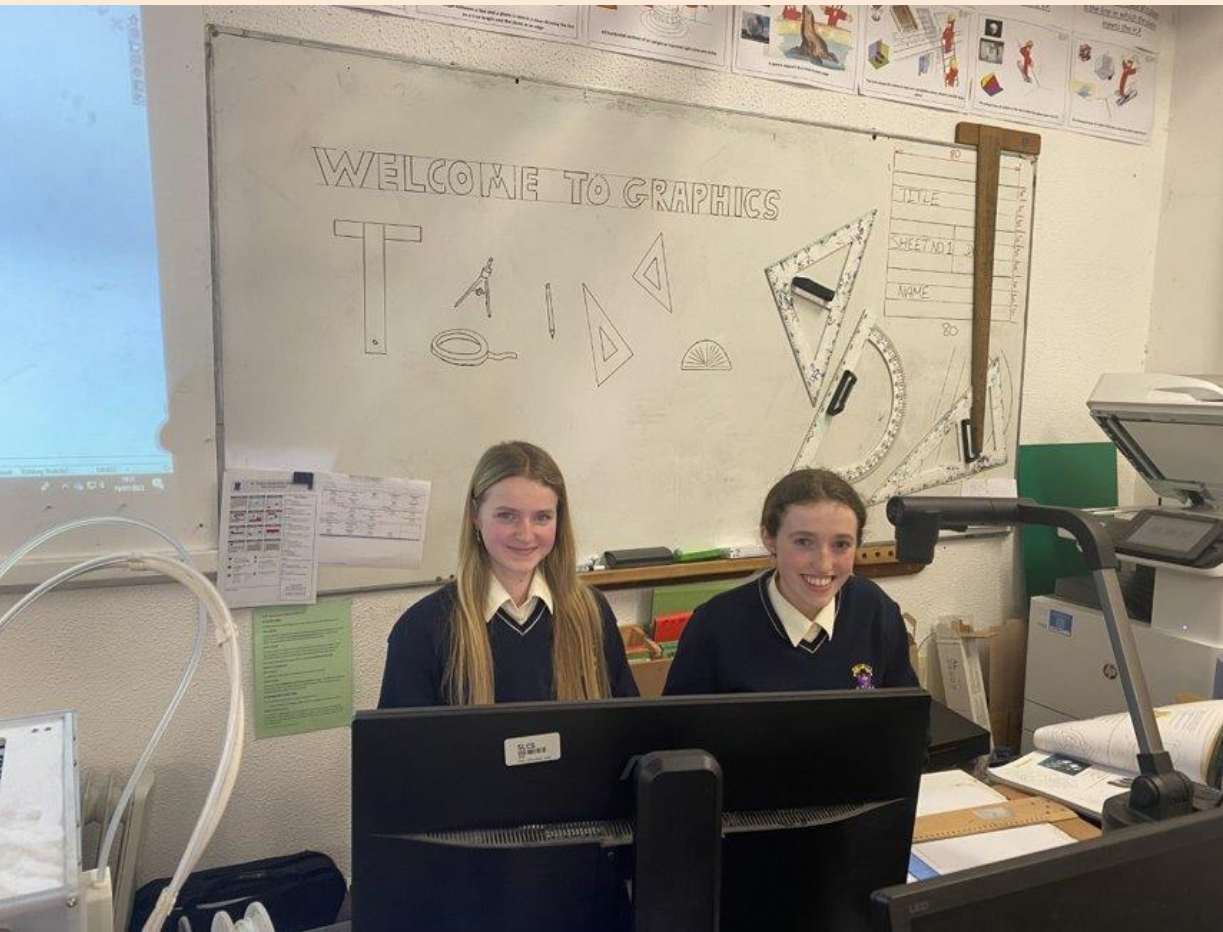

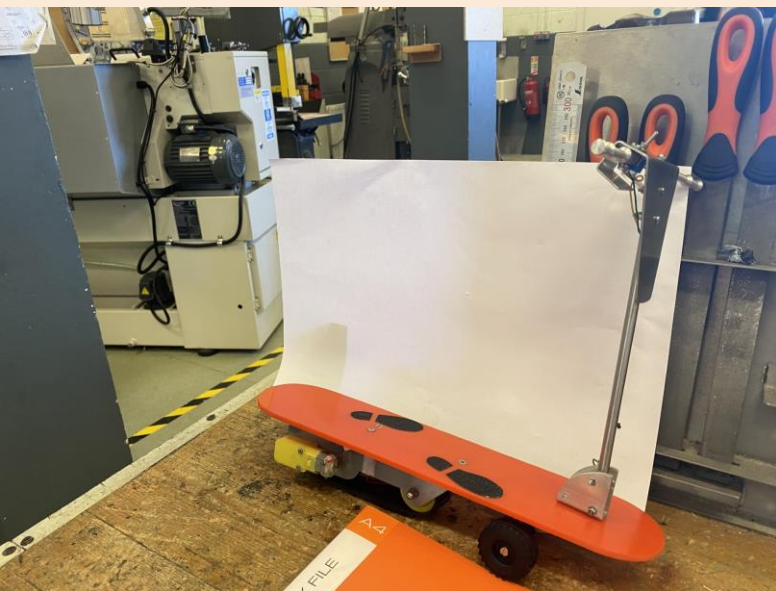

Optional Subjects in Senior Cycle

Subject	Time allocation per week
History	3 hrs
Geography	3 hrs
French	3 hrs
Business Studies	3 hrs
Agriculture	3 hrs
Biology	3 hrs
Construction Studies	3 hrs
Physics	3 hrs
Accounting	3 hrs
Chemistry	3 hrs
Engineering	3 hrs
Art	3 hrs
Spanish	3 hrs
Music	3 hrs
Home Economics (Scientific & Social)	3 hrs
Design & Communication Graphics	3 hrs

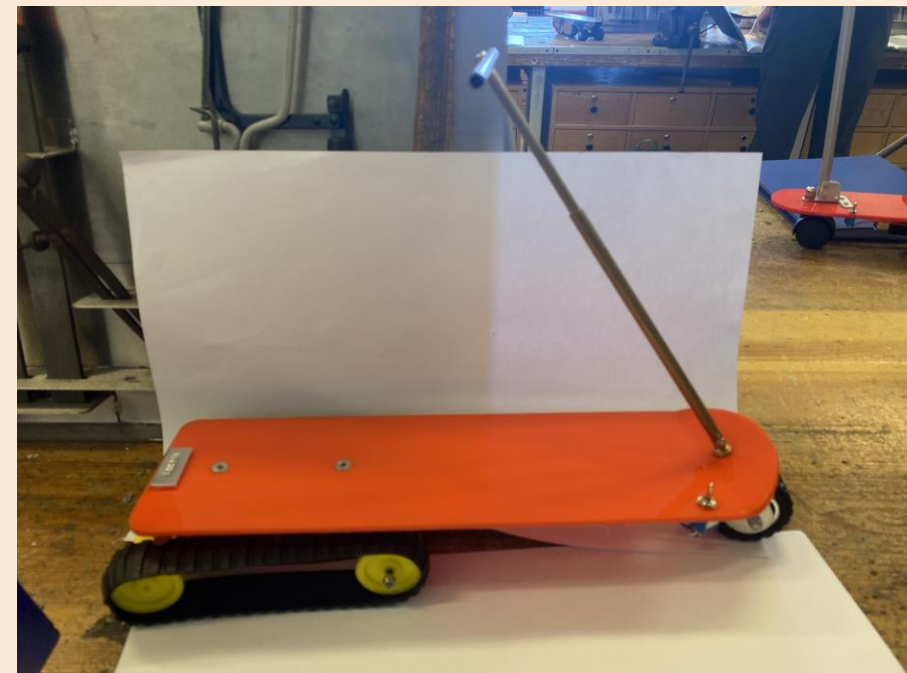

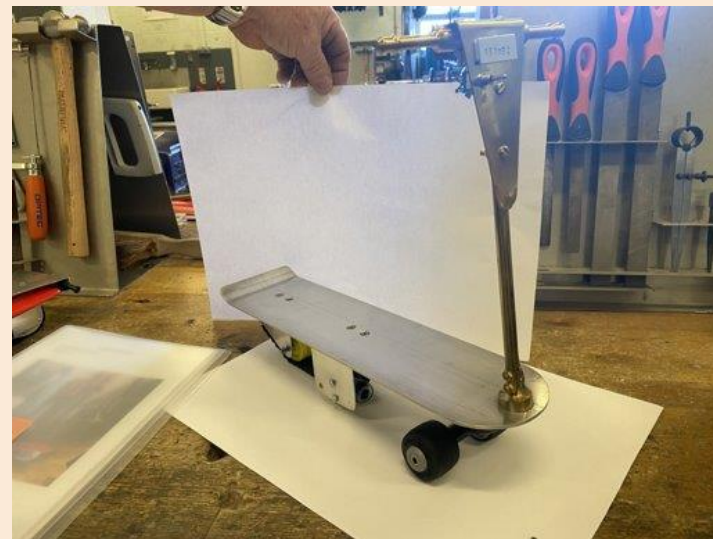

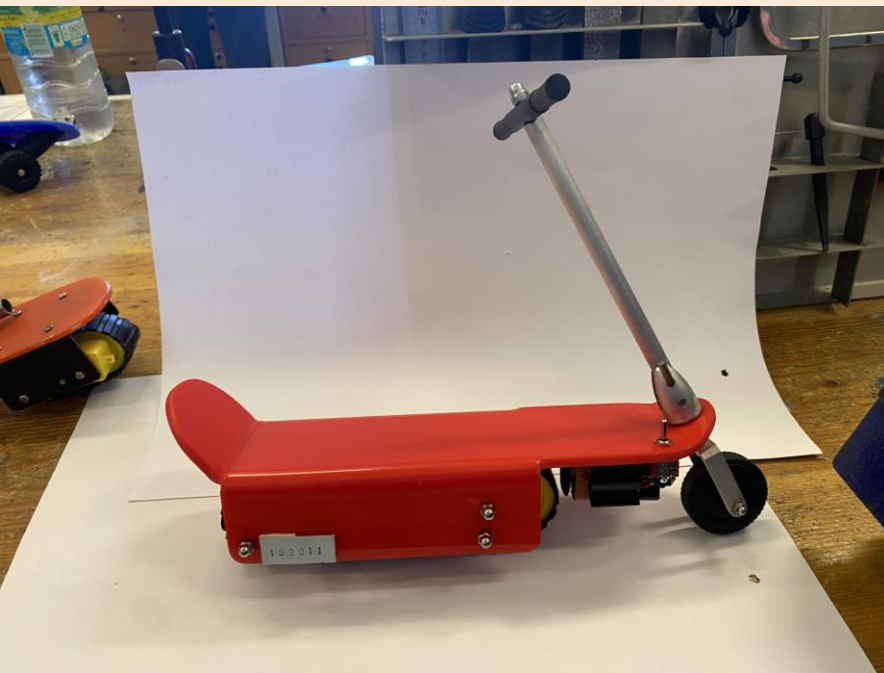

Design Communication Graphics

Leaving Certificate Engineering Projects.

Geography Field Trip

6th year students are pictured at Glencar waterfall as part of their field study, which is worth 20% of the overall Leaving Certificate Geography result.

Leaving Certificate Applied.

The Leaving Certificate Applied programme is a distinct, self-contained two year programme which prepares students for adult and working life. The two year programme is split into four half year sessions, with more emphasis on continuous assessment instead of the end of year exams.

Students attend school Monday to Thursday and they attend work experience every Friday, students are encouraged to undertake work experience in an area that is of interest to them and that they may wish to pursue after school. The LCA students are covered by the school insurance while on work experience.

The students must complete seven tasks over the two year course, each task is worth ten credits. Each student will be interviewed by an external examiner on an allocated day and time and their task will be graded by them. Students receive marks not only on what they produce for their task but also for their ability to discuss and evaluate their tasks.

Leaving Certificate Applied

Students must have a 90% attendance rate in each of their subjects if they are to be awarded their credits in each of their modules.

On successful completion of the LCA course, students leave the school with a Leaving Certificate qualification. Students can access further education by means of a PLC course.

The Leaving Certificate Applied is awarded as follows

Pass	120-139 credits (60-69%)
Merit	140 – 169 credits (70-84%)
Distinction	170-200 credits (85 – 100%)

Subject	Time allocation
English and Communication	2 hours
Maths	2 hours
Religious Education	2 hours
Social Education	2 hours
PE	1 hour
Cookery	1 hour
Agriculture/Horticulture	2 hours
Special Tuition	2 hours
Voc. Preparation & Guidance	2 hours
Information Technology	1 hour
Graphics & Construction Studies	1 hour
Engineering	2 hours
Career Guidance	1 hour
Art	1 hour

LCA Trip to Mountbellow Agricultural College

LCA Art

Our LCA students proudly displaying their General Education task.

LC and JC Mock Examinations

The mock exams for the Leaving Certificate and Junior Cycle students took place just before the February mid-term break. Ms. Haran spent a lot of time drafting timetables and liaising with staff and students to ensure they ran smoothly.

Ms. Kenny, along with the SEN team organised two special centres and three shared centres for the students who were granted reasonable accommodations. It proved difficult sourcing staff to supervise these centres due to the shortage of substitute teachers, thankfully all worked out in the end.

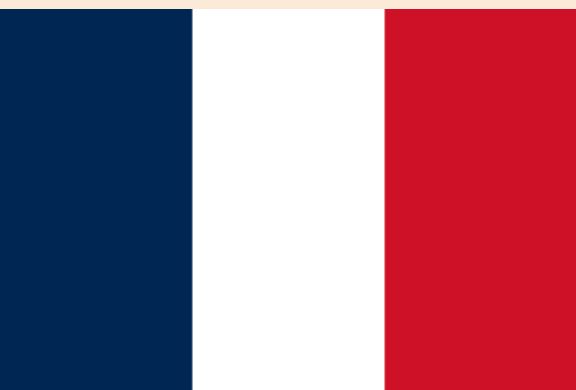

All 206 students who sat the exams are to be complimented as always, for their exemplary behaviour, in what can only be regarded as a stressful and anxious time.

Leaving Certificate Oral Examinations

The oral French, Spanish, Gaeilge and German orals took place from Saturday 1st April to Thursday 6th April inclusive.

Subject	Number of Students
French	18
Spanish	50
Gaeilge	96
German	1

Leaving Certificate Examinations

The Leaving Certificate and Leaving Certificate examinations commenced on Wednesday 7th June, with four centres for both the leaving cert and junior cycle students. There were also a number of special centres.

Leaving Cert Graduation Ceremony

We wish the class of 2023 every success, good health and happiness.

University College Dublin Awards

Congratulations to Sarah Gallagher and Shauna Connor, from the Leaving Cert class of '22, who were awarded the UCD Entrance award. This award is presented to students who get over 560 points in their Leaving Certificate exams.

Trinity College Award

Congratulations to our past pupil, Laura Rosney who was honoured to receive an Entrance Exhibition award from Trinity College, Dublin in recognition of her outstanding Leaving Certificate results.

Laura is currently studying Pharmacy.

Adult Education

The Adult Education Programme ran the following classes this year:

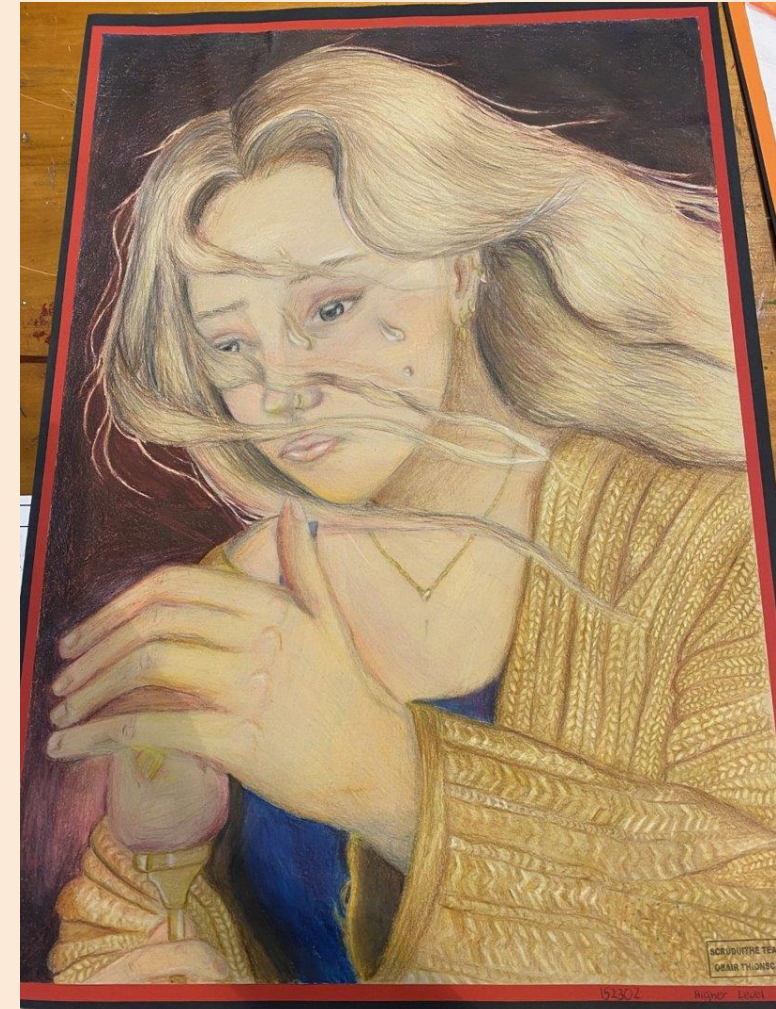

QQI Courses:

- Special Needs Assisting Level 6
- Children with Additional Needs*
- Early Childhood Care and Education Level 5
- Healthcare Support Level 5*
- Book-keeping Manual and Computerised
- Payroll Manual and Computerised

Hobby Courses:

- Bridge for Beginners
- Yoga
- Cooking with Confidence
- Art*
- Conversational Irish*
- Public Speaking and Presentation Skills*

* Indicate new courses introduced this year.

Adult Education

The programme ran successfully throughout this year. The surveys indicated positive feedback from both the tutors and participants. Courses were delivered in the classroom when numbers allowed, for the first time since Covid and we were able to provide courses online for those who wanted to enroll in courses with low numbers. New hobby and QQI courses were introduced.

Advertising took place in the Mayo Advertiser but good use was also made of free advertising through the school social media accounts, the local parish newsletter and the local notes in the Mayo News and the Western People.

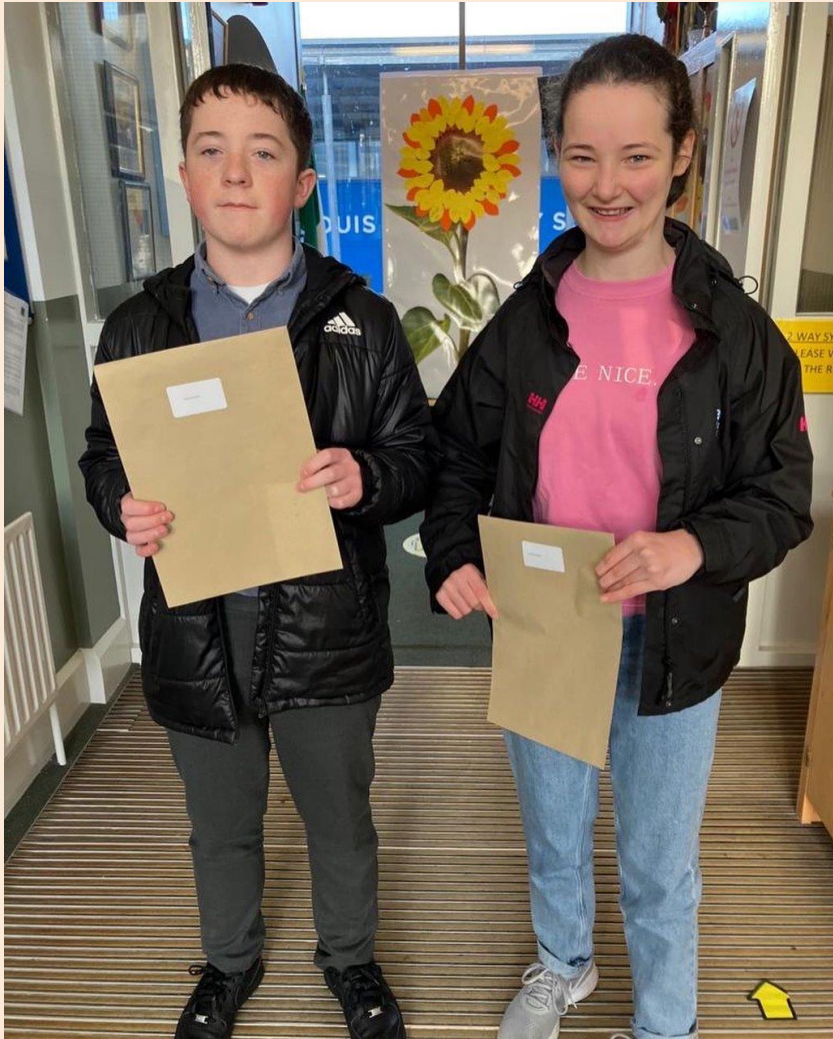

7 students received the Technical Employment Support Grant from the local Intreo Office. The number of students enrolled in total increased this year.

Number of students enrolled	107
Number of hours	2,562

Evening Study

- Evening Study took place from 4.15 to 6.15pm Monday to Thursday and from 2pm to 4pm on Fridays.

Homework Club

The Homework Club took place from 4.15 to 5.30pm Monday to Thursday.

Instructional Leadership

Ms. Patricia Murtagh, Mr. Fearghal O'Hara and Ms. Cathriona McLoughlin attended the Instructional Leadership course with Professor Barry Bennett. They shared their learning with our staff at the staff meeting on 24th November.

This course is organised by the ETBI and takes place over three days in Mount Wolsley, Carlow.

INSTRUCTIONAL
LEADERSHIP
programme

Pastoral Care Meetings

Pastoral Care team meetings took place every Tuesday at 10am throughout the year. The meetings were attended by Ms. Regina Anderson, Ms. Marie Flanagan, Ms. Trish O'Brien (Chaplain), Ms. Tracey Kenny (SENO) and Ms. Walburg Ruane (Guidance Counsellor)

Students who require supports are discussed and interventions are put in place, updates are given to staff, when and if deemed necessary.

Junior Cycle CPD

The Junior Cycle Co-ordinators for this academic year were Ms. Louise Kelly and Ms. Louise O'Hora.

Ms. Heather Coleman	Learning support Administration of SEN Testing of students
Ms. Mary Dunne	Learning support Administration of SEN Testing of students
Ms. Andrea Maloney	Coordination of the Junior Cycle School Programme.
Mr. Sean Costello	Coordination of the Junior Cycle School Programme.

AEN Team 2022-2023

Developments in the AEN department

- Moving to the digital forum for the purpose of storing key AEN information.
- Continue improving the process of student referral to the AEN department.
- Continuously reviewing/updating our AEN Policy which underpins the ethos and aims of the AEN department.
- Facilitating weekly meetings with members of the AEN team to review our progress.
- Developing the efficiency of the department through the incorporation of extra computers in the office as well as white boards outlining key dates/important information and weekly targets. This board is reviewed and updated on a weekly basis
- Building professional networks with schools in the catchment area.
- Creating a smoother transition for all students from primary to post primary education. This year we developed a 'Welcome booklet' in conjunction with some of our first-year students to help with this.
- Continuously review professional practice through self-evaluation in order to identify areas that need improvement.
- Engaging in CPD Leadership training to develop and further enhance skills as a leader in St. Louis. This year, the SEN co-ordinator completed the Le Cheile 'Developing Middle Leaders Capacity' course and also the SEN co-ordinator joined an AEN support group to inform her practice as SENCO.
- This year we moved from the DRT to the CAT4 cognitive ability test. We have further built on the administration of the CAT4 already this year by rolling it out to our in-coming first year students prior to them starting. The data was analysed and collated by the SEN coordinator and in conjunction with senior management, we have begun to incorporate resource support for our students in advance of the academic year 2023-2024.
- Another advancement this year was in relation to the development of cooperation-teaching. As per the recommendations of the NCSE, this is the preferred method of supporting student learning and needs.
- The student referral form was introduced to teaching staff. This form is a vital starting point in support student's needs and in drawing up a student support plan.

1st Years 2023 taking a break from the cognitive ability tests.

Reasonable Accommodations at the Certificate Examinations RACE Applications

- 19 Leaving Certificate students and 15 Leaving Certificate Applied students were granted reasonable accommodations, for either the use of a recording device, a spelling and grammar waiver, reading assistance, or a separate centre, on the grounds of either learning or physical difficulties
- 17 Junior Cycle students were granted reasonable accommodations for various learning difficulties.
- 2 emergency race applications were made for Junior Cycle students on the grounds of physical difficulties, and both applications were granted.

JCSP Developments

Junior Certificate Schools Programme

Ms. Andrea Maloney and Mr. Sean Costello volunteered to take on the role of JCSP coordinators in January, since then they have;

- Assisted staff with the profiling of all the subject statements for the 3rd year students,
- Organised certificates for all the final year students.
- Drafted references for each 3rd year JCSP student.
- Organised a little celebratory party for the 3rd year students.
- Carried out reviews of the 1st and 2nd year students in the programme.
- Analysed the CAT 4 test results, term assessments and reports to determine which students should be invited into the programme.
- Wrote to parents informing them of the JCSP programme.
- Applied for funding for two initiatives next year.
- Reviewed current and past resources and ordered samples for staff.
- Attended in-service.
- Completed end of year evaluation reports.
- Organised access to the JCSP library for all students.

Postgraduate Diploma in SEN

Ms. Patricia Murtagh is undertaking the Postgraduate Certificate in Arts in Special Education with St. Angela's College, Sligo and Ms. Trish O'Brien is undertaking the same course with NUIG. Both courses commence in September and the teachers must be timetabled for eleven hours of special tuition classes.

The programme aims to give fully qualified serving teachers a thorough knowledge and understanding of special needs and learning difficulties, it is supported by the Department of Education and the NCSE, and the fees are paid by the DES.

Extra-Curricular Activities

I express my gratitude to the teaching, non-teaching staff, students and parents for the many extra-curricular activities that were organised for our students throughout the year.

Head Girl and Boy

Eabha and Joe are two great ambassadors for St. Louis.

Prefects

Our brilliant team of Prefects, who assist with the management of St. Louis, are a pleasure to work with.

Sustainability Workshop

John, Maeve, Ella and Isabella were delighted to get the opportunity to attend the sustainability workshop in the Mary Robinson Centre in Ballina.

Congratulations to Lauren Conroy who was invited to speak at the Le Cheile Symposium in Knock.

John Paul II Awards

Congratulations to the JP II award recipients who received their medals and certificates for their community led work.

Anxiety	Ms. Ruane

IT Improvements

- 30 new PCs were purchased for the Multi-media room.
- 10 new PCs were purchased for the staff rooms.
- New projectors were purchased and installed in several classrooms.
- New printers and photocopiers were leased and installed throughout the school, a new contract was signed.

eBooks

The Senior Management team have developed four eBooks during this academic year,

- Parents eBook for incoming first years.
 - eBook for students transferring into 2nd, 3rd, TY, 5th, LCA or 6th year.
 - Staff eBook
 - eBook for new staff / PMEs
-
- The parents e book has also been translated into Ukrainian,
 - Three of the above books are available to view on the school website www.stlouiscs.com
 - The staff eBook is published on the Onenote platform and is only available to school staff.

Links with our Community

- Kiltimagh Giants Basketball Club used the school gym five nights per week.
- Kiltimagh GAA club used the school gym every Saturday morning and they used the astro pitch on Friday evenings.
- An underage Volleyball team trained with Ms. Michal O'Boyle and Ms. Helen Lally every Wednesday after school.
- Ms. Michelle Filan used the Louis Bautain hall for female fitness classes throughout the winter.
- The Irish Blood Transfusion Board used the Louis Bautain hall for their blood donation service.
- A past pupil and member of the Irish Basketball team trained in the school gym during the school holidays.
- Members of the community were invited to attend our Christmas Carol Service and the Enterprise showcase.
- TY students visited the local nursing homes to entertain the residents.
- Members of Senior Management attended the official opening of the local Velorail.
- Our TY students assisted throughout the year in the local Amenity park
- The U-20 Irish Basketball team trained in the school gym during the summer holidays, ahead of their European final.

Middle Leadership in St. Louis Community School.

Staff Presentations to the Board of Management

Date	Topic	Presenters
14 th December 2022	Special Educational Needs	Ms. Tracey Kenny (APII) Ms. Mary Dunne
22nd February 2023	Adult Education	Ms. Louise Kelly (APII)
3rd May 2023	Transition Year	Mr. Murt Dunleavy (API)

Mr. Malachy Molloy presented the audited financial accounts to the board on 22nd February 2023.

Staff Matters

Retirement Wishes.

Best wishes were extended to the following teachers on the occasion of their retirement;

- Mr. Chris Kennelly
- Ms. Geraldine Molloy
- Ms. Suzi Ottewell.

Best wishes are also extended to Mr. Declan Mullins as he resigns from his position as Engineering and Technology teacher. Declan is currently managing a very successful Engineering business and we wish him continued success.

Staff Matters

Congratulations

Congratulations were extended to;

- Ms. Cathriona McLoughlin and her husband Kieran on the birth of her baby girl Kayla.
- Ms. Heather Coleman and her husband Ray on the birth of their baby girl Ada.
- Ms. Chloe Regan and her husband Conor on the birth of their baby girl Grace.
- Mr. Brian Joyce and his wife Anita on the birth of their daughter Annie.
- In January 2023 Ms. Imelda Reilly was appointed as a Department approved Clerical Officer for 3 days per week, and Ms. Yvonne Corley was appointed as a Department approved Clerical Officer for 2 days per week.

School Governance

Child Protection

- Child Protection training is continually provided for the teaching staff and the Special Needs Assistants at the staff meetings.
- Training for the caretaking and admin staff is carried out during the summer months.
- Staff are currently updating their certificates.
- New staff and PME students receive child protection training as part of their induction.
- The safeguarding statement and risk assessment were reviewed by all the stakeholders and ratified by the Board of Management in October 2022, both documents were sent to the patrons.
